

With Sam Smith riding, Stun Gun won the Intermediate Open.

Hesa Smokin Shiner, ridden by Rick Weaver, earned money in all three Open divisions and won the Limited Open.

### Intermediate Open

Stun Gun (PT) (Colonels Smoking Gun x Sugar Baby Whiz x Topsail Whiz) zapped the competition in the \$10,000-added Intermediate Open division. Ridden by Sam Smith for Victoria Lambert, Hempstead, Texas,

the 5-year-old mare scored a 221.5 for third place in the Open division and first in the Intermediate Open.

"I was in the process of getting her ready for Carl [Lambert] to show in the derbies this spring," Smith said.

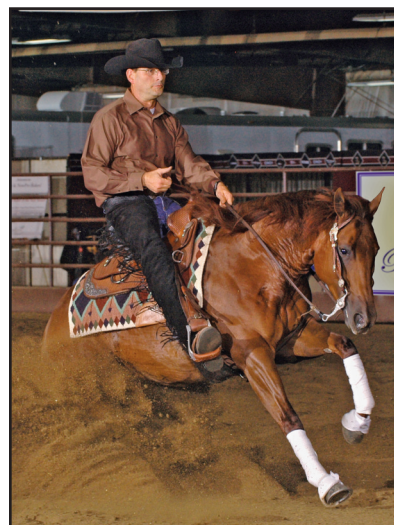

But plans do change.

COMPLETE RESULTS BEGIN ON PAGE 112.

Ben Gerst guided Good Time Whiz Girl to the Reserve title in the Limited Open.

Smith took Stun Gun for a test drive at a derby held in Waco, Texas, early in February. They won the Open and Intermediate Open divisions with a score of 150.

"After Sam marked a 150, we decided to let him show her for the rest of the derbies this year," Victoria said. "Carl will show her in the APHA World Show."

Smith said he likes the mare's attitude.

"She loves to hear 'whoa,' but her strong point is really her mind," Smith said. "She's a good show horse. She wants to be good in the show pen. She'll do things there she won't do outside. After I showed her at Waco, I told Carl that the last time I felt a horse like

that in the show pen was Hollywood White."

Smith won the 1997 NRHA Open World title on Hollywood White.

Stun Gun earned \$3,857 in the Open, \$3,457 in the Intermediate Open and a total of \$3,118 in the Open to the World Derby.

### Limited Open

Hesa Smokin Shiner (Shining Spark x Smoking Sana x Peppy San), owned by Gus and Gaynia Revenberg, Windsor, Canada, and shown by Rick Weaver, Fairview, Pa., scored a 220 and earned money in all three Open divisions. The 5-year-old stallion was fourth in the Open, Reserve in the Intermediate Open and went to the head of the class in the Limited Open. He finished the same way in the Open to the World Derby.

"I'm happy with the horse," Weaver said. "I think as 5-year-olds, horses are certainly hitting the peak of their abilities and this horse seems to be improving all the time. He needed some time to grow up physically and mentally. The Revenbergs were nice enough to allow that."

Weaver acknowledged two NRHA Hall of Fame members for his success with this horse.

"Hesa Smokin Shiner knows he's a stallion, but he's a quiet horse. He's not a horse you can just overwhelm to make things work. You have to think like him then he'll give you a lot. He's a horse you have to play mental chess with rather than getting physical with," he said.
